## **NOBIS GROUP STEM SCHOLARSHIP**

Nobis Group (Nobis) is proud to offer scholarships to high school graduating seniors who have demonstrated an interest in a Science, Technology, Engineering or Mathematics (STEM) career such as environmental studies, civil engineering, geotechnical engineering, hydrogeology, chemical engineering, health sciences, etc. Applicants must be a United States citizen and current resident of New Hampshire or Massachusetts. *Nobis employees, or spouses or children of Nobis employees are not eligible.*

Scholarship selection will be based upon demonstrated interest, weighted Grade Point Average (GPA), and essay. The recipient must have been accepted by a post-secondary school. Scholarships are to be awarded to one or more students in the amount of \$500.

To be considered, students must submit their completed application, essay, and transcript to **[scholarship@nobis-group.com](mailto:scholarship@nobis-group.com)** by **March 29, 2019**.

Scholarship recipients will be notified no later than **May 1, 2019**. Scholarship checks will be made payable directly to the chosen school.

Nobis is dedicated to promoting careers in the engineering consulting industry by providing training and education for all employees and by encouraging students to pursue further education in these fields.

## SCHOLARSHIP APPLICATION

**ELIGIBILITY:** This application may be completed by any student, but only those students that have been accepted by an institution of higher learning by the time of selection will be eligible for the scholarship. The recipient must be a full-time student.
