## **2026 NOBIS GROUP STEM SCHOLARSHIP**

Nobis Group is proud to offer scholarships to high school graduating seniors who have demonstrated an interest in a Science, Technology, Engineering, or Mathematics (STEM) career. This one-time, non-renewable scholarship will be awarded to one or more students in the amount of **\$1,000** each. Applications can be submitted online, via email, or by mail and must be received by **Friday, April 17, 2026**.

Scholarship recipients will be notified no later than May 19, 2026. It is requested that winners provide a photo with their Nobis STEM Scholarship Certificate for use in marketing materials (more information will be provided to recipients).

Nobis Group is dedicated to promoting careers in the engineering and environmental consulting industry by providing training and education for all employees and by encouraging students to pursue further education in these fields.

## **SUBMISSION REQUIREMENTS**

To be considered, students must submit the following required materials:

- Completed Scholarship **Application Form**
- Official High School **Transcript**
- **Essay:** In 500 words or less, explain why pursuing a career in a STEM field matters to you

Submissions that do not include all three requirements listed above will be judged as submitted.

## **HOW TO APPLY**

There are three ways to apply for the Nobis STEM Scholarship:

1. **Online:** Complete the Application Form located at <https://forms.gle/Kjk4FaBXnFjw5uzA6> (transcripts and essays are uploaded at the end of the form).
2. **By Email:** Download the PDF version of the Application Form (link provided below) and email completed form, transcript, and essay to [scholarship@nobis-group.com](mailto:scholarship@nobis-group.com).
3. **By Mail:** Download the PDF version of the Application Form (link provided below) and mail completed form, transcript, and essay to:

**Nobis Group Attention: Meghan Benincasa, Scholarship Committee  
18 Chenell Drive, Concord, NH 03301**

## **ELIGIBILITY**

- Applicants must be a United States citizen and current resident of New Hampshire or Massachusetts.
- Nobis Employee-Owners and their children are not eligible to apply.
- The recipient must be a full-time student.
- Recipient(s) must have been accepted by a post-secondary school.
- The graduating senior must have a demonstrated interest in Science, Technology, Engineering or Mathematics (STEM) and, preferably, pursuing a degree in one of the following fields relevant to Nobis Group's work: civil engineering, geotechnical engineering, environmental engineering, environmental science, geology, hydrogeology, or construction management. Other STEM fields will still be considered.

## **QUESTIONS**

If you have any questions, please contact [scholarship@nobis-group.com](mailto:scholarship@nobis-group.com).
